THE GAZETTE.

MONDAY EVENING, JUNE 22.

BIRDS. - The following resolution was approved by the Lincoln Farmers' Club, Loudoun county, at its June meeting, 1874, and the secretary directed to furnish a copy to each of the county newspapers with the request that

they publish it: Whereas, Our crops are becoming more and more subject to the depredation of insect foes,

Whereas, We recognize our field and forest birds as our most efficient allies, in the warfare we are compelled to wage against them for self-protection, therefore,

Resolved, That individually and collectively we will discountenance sporting with dog or gun on our lands under all circumstances, and will not hesitate to enforce the law against intruders, be they who they may.

TRAVELLING ON THE FARM. - Did any of your readers ever think of the amount of travel it takes to raise a crop of corn? I never saw an illustration in print, and I thought I would give you one. I have a twenty-acre field, forty the said administrator, with the right to any by eighty rods. To break this up would take one hundred and sixty six miles. Harrowing it Teste:

L. A. DAVIS Clark about forty miles. Furrowing pinety miles. Planting forty-five miles, if with planter; and if dropped and then covered, ninety miles. And for each plowing of two furrows in a row, ninety miles; for five plowings four hundred and fifty miles. Thus you will see it takes about eight or nine hundred miles of travel to raise twenty acres of coro. not counting going to and returning from the field. Besides there is time and place you are required to attend. replanting, thinning, rolling, etc.

HEALTH REGULATIONS.

At a meeting of the Board of Health, held June 15th, 1874, the Secretary was directed to publish the following standing order:
ORDERED BY THE BOARD, That the following notice shall be incorporated with the proceedings of the meeting, and published for one week, every other day, in the Alexandria Gazette.

The Board or Health of the city of Alexandria respectfully request the prompt and serious attention of the citizens to the following sanitary regulations and considerations, and ask their cooperation in carrying them out, assuring them that it is the determination of every member of the Board in his respective district to do all in his power to keep the city in a cleanly condi-tion, by enforcing all the laws in the case made and provided.

An Act to prevent nuisances. Section 1. Be it enacted by the City Council of Alexandria, That no person or persons shall discharge, cast or cause to flow upon any of the streets, lanes or alleys, or any part of the city, any kitchen offal, liquid or solid, but shall de posit the same in some suitable vessel, there to be kept until called for and removed in the manner herein provided.

Section 2. It shall be the duty of the Trustees of the Poor to cause all such offal to be called for, collected and removed four times a week in the months of May, June, July, August and September, and twice a week during the re-mainder of the year, for the use and benefit of the Alms House.

Section 3. Any person or persons, his or their servants, who shall violate any of the provisions of this act shall forfeit and pay not less than the sum of one dollar, and not more than five dollars, to be recovered as other fines and forfeitures are recovered.

Section 4. It shall be the duty of the Board of Health, Superintendent of Police and Police to cause the provisions of this act to be strictly complied with and enforced. Section 5. This act shall be in force from its passage.

Passed July 10th, 1865. The citizens are reque-ted in case of any negligence on the part of the drivers of the garbage carts to call at their houses, to leaves their names and the number of their residences with any member of the Board of Health. This will ensure a prompt and certain remedy for the inat-

tention complained of. The citizens are also respectfully requested to ises all offal matter, manure or any other nui-sance which may endanger the health of the the estate of said Turnley Rigg and their prioricity; and they are hereby notified that on or before the first of August the members of the said Rigg died possessed of, and the value of the Board will visit their respective districts, to see same. - [June extract. whether these regulations have been complied

The citizens are also respectfully requested to keep this notice for future reference so that they may see who are the members of the Board and the location of their respective districts, and they are asked as a favor this: that when they are personally cognizant of any nuisance to report at once to the proper authorities, viz: the members of the Board in whose districts the nuisance exists, assuring them that it is the only legitimate way to abate any evil exi ting near their prem-

ises.

The citizens are requested to keep their gutters clean and brush the dirt from before their premises to the centre of the street.
